Subject: Panoramic Stereo Experiment  
Project 9039

STATINTL

Dear Myron:

STATINTL

Attached are three copies of a letter report for the above project, which you requested on April 17. The report describes work performed through April 16.

It was a great pleasure to have you visit us and inspect our facility and equipment. I look forward to further conversations with you in the near future.

Sincerely yours,

STATINTL
